

# FREQUENTLY ASKED QUESTIONS

## WHERE ARE YOU BASED?

My studio is converted into my home in Chester, Cheshire. It's very close to Manchester and Liverpool and two hours from London via rail. Chester is a medieval Roman town and is very beautiful in its own right.

## DO YOU WORK WITH NON MODELS? YOUR SITE SEEMS TO BE VERY MODEL BASED.

I work with a wide variety of clients both male and female and am very experienced in making people feel at home in my little studio. I am a professional freelance photographer so I work with all manner of people from all walks of life. I work with people who want beautiful portraits, and it's my job to create them. A lot of the work you see on this site is simply everyday folk like you or me, not models. I give a lot of direction and posing help for those who are not used to being in front of the camera.

## HOW MUCH DOES A SHOOT COST?

I have private bookings fees and quote for most other jobs so feel free to get in touch.

## DO YOU SUPPLY HAIR AND MAKE UP?

I rotate a busy team of hair and make up pros on my shoots though some people are happy doing their own. I have quoted fees in packages listed but feel free to contact me for a quote. Hair and make up is essential for a great shoot.

## HOW DO I BOOK?

Visit the booking page for information. I tend to be booked well in advance, so contact me well before your ideal date. A deposit is required to secure the date. Alternatively, feel free to contact me by e-mail.

## WHAT DO I BRING TO THE SHOOT?

I like to chat about wardrobe and styling, in advance of your shoot. The key is preparation, and it's good to bring a variety of clothing.
